COMPANY OVERVIEW

Intelligent Energy Light and Power is a LED lighting installation firm headquartered in Washington DC since 2009. We specialize in LED Lighting and retrofitting of existing buildings. Our core expertise is in surveying, designing, and installing commercial LED fixtures and controls in office, manufacturing, multifamily, sensitive government and defense facilities. We also have technical expertise in building efficiency and power quality upgrades, HVAC Tune-up and optimization as well as installing EV Charging Stations.

We have helped six (6) U.S. Federal Agencies, several defense contractors, data centers, aerospace & aviation companies, commercial office buildings, and residential buildings significantly reducing their monthly expenses.

Location: City First Bank Headquarters, 1432 U St., NW, Washington, DC 20009
Contact: Mr. Marc T. Givens, Asset Manager
Contract Length: 2 months
