COMPANY OVERVIEW

Intelligent Energy Light and Power is a LED lighting installation firm headquartered in Washington DC since 2009. We specialize in LED Lighting and retrofitting of existing buildings. Our core expertise is in surveying, designing, and installing commercial LED fixtures and controls in office, manufacturing, and sensitive government and defense facilities. We also have technical expertise in building efficiency and power quality upgrades as well as installing EV Charging Stations.

We have helped six (6) U.S. Federal Agencies, several defense contractors, data centers, aerospace & aviation companies, commercial office buildings, and residential buildings significantly reducing their monthly expenses.

DIFFERENTIATORS

- ◆ DHS PIV Security Cleared staff for mission critical facilities
- ◆ 13 years competency in commercial and industrial Lighting design and Installation
- ◆ Expertise in capturing Energy Grants and Utility Rebates
- ◆ Competency in Power Factory Correction and over all Power Quality and Efficiency in a Facilities Distribution System
- ◆ Energy Star Level II auditing and Benchmarking
- ◆ Recipient DHS's 2013 "Green Initiative Award"
- ◆ Recipient DHS's 2015 "Green Dream Team Award"
- ◆ Member of PEPCO Utility's Advisory Board since 2018
